PRODUCT SPECIFICATION

Infernus Countertop Electric Fryer – 10 Litres with Drain Tap, 3kW

Infernus · model INEF-10V

The Infernus INEF-10V is a 10-litre countertop electric fryer with a built-in oil drain tap: the feature that makes the difference on a fryer you empty every day. It runs from a standard 13A plug, so it works in a café, takeaway or catering trailer without specialist wiring.

Key features

- 10-litre tank with built-in oil drain tap
- 3kW element on a standard 13A plug
- Adjustable thermostat with high-limit safety stat
- Element lifter mechanism for easy cleaning
- Oil-level markers and crumb rack
- Power and heating indicator lights
- Compact 290mm-wide stainless steel body; 12-month parts warranty
