PRODUCT SPECIFICATION

Infernus Free Standing Single Tank Electric Fryer – 16 Litres, 3kW

Infernus · model INF-161FS

The Infernus INF-161FS is the single-tank partner to our twin-tank INF-162FS: a free-standing 16-litre electric fryer for kitchens and catering units that want floor-standing capacity without the footprint of a twin. At 334mm wide it slots into a gap most fryers won't fit.

Key features

- 16-litre single tank in a narrow 334mm free-standing body
- Efficient 3kW element for a fast heat-up
- Adjustable thermostat with automatic temperature cycling
- Front drain valve for quick, controlled oil changes
- Overheat protection and dry-burn prevention
- Stainless steel construction with an enclosed cabinet base
- Supplied with a fryer basket and a 12-month parts warranty
