PRODUCT SPECIFICATION

Infernus Premium Electric Griddle 50cm – Steel or Chrome Plate, 3kW

Infernus · model INF-E50

The Infernus INF-E50 is the compact model in the Infernus Premium heavy-duty electric griddle range, built for cafés, food trucks and bistros that want professional plate thickness in a small footprint.

Key features

- Solid 12mm steel cooking plate — the heavy-duty Premium range
- 3kW high-efficiency element for rapid heat-up
- Automatic constant temperature control
- Compact 50cm cooking area with around 99% usable plate
- Removable grease trap for easy cleaning
- Stainless steel body; runs from a single 13A plug
- Supplied with a 12-month parts warranty
- Choose a steel plate or a chrome plate (INF-E50C) for lower heat radiation and easier cleaning
