

## Infernus 120 Litre Heated Display Cabinet – Curved Glass, 3 Tiers

Infernus · model INF-XCR120L

The Infernus 120 litre heated display cabinet shows pies, pasties, sausage rolls, chicken and baked goods on three adjustable tiers behind a curved glass front. It is sized for busy cafés, bakeries, takeaways and convenience stores that sell hot food all day.

### Key features

- 120 litre capacity on three adjustable tiers
- Curved tempered glass front with LED lighting
- Automatic thermostat with temperature display, 30–90°C
- Front and rear sliding doors
- Water tray in the base keeps food moist; anti-slip feet
- 1.1kW from a standard 13A plug; 12-month parts warranty
