

Infernus 99 Litre Heated Display Cabinet – 3 Shelves, Glass Tower

Infernus · model INF-XCR99L

The Infernus 99 litre heated display is a tall, narrow glass tower that shows hot food on three shelves from every side, in a footprint just 460mm wide. It suits cafés, bakeries, sandwich shops and coffee counters where space is tight but hot food needs to be seen.

Key features

- 99 litre capacity on three wire shelves
- Glass on all four sides; illuminated header
- Thermostat 30–90°C with digital temperature display
- Water tray in the base keeps food moist
- Compact 460mm-wide footprint, adjustable anti-slip feet
- 0.8kW from a standard 13A plug; 12-month parts warranty
