DESCRIPTION

Our hot dog steamer is designed and manufactured in the USA by Paragon International Inc. and is available for immediate sale! In addition to THE DOG HUT, we have also added some hot dog bags to our supplies and accessories. The Dog Hut is intended to set the standard for hot dog steamers. It is ideal for use in convenience stores, concession stands, vending carts, fast food restaurants, snack bars, cafeterias and many others.

CUSTOMISED DESIGN:

We can offer private-label machines and products to businesses, it's a great way to increase brand recognition, leverage your associations and promote your products.
