

REFRIGERATOR COMPACT K 220 LG 2W

Product series: Compact

Item number: 962200461

COMPACT K 220 models not only comply with the EU Ecodesign labelling regulation, but ranking in the energy efficiency class A+ these refrigerators offer the most energy efficient compact models in the marketplace.

Correct and uniform temperature throughout the cabinet is critically important for a food storage cabinet. GRAM COMPACT provides this with a unique ventilated air distribution system and a strong refrigeration system with sufficient refrigeration capacity. It also has approximately 70% more insulation than a bottle cooler.

COMPACT K 220 has an efficient refrigeration system and is approved to endure up to 30°C ambient temperature (Climate class 4). It further offers low heat emission with minimal compressor running time thanks to a refrigeration system with surplus capacity.

Compact 220 models are designed to fit under worktops in commercial workplaces. With their width of 59.5cm, depth of 64.2cm and height of just 83cm, these cabinets are ideal for building in beneath worktops. As a free-standing cabinet the undercounter COMPACT 220 provides extra work space with its "table top".

Materials Exterior: Stainless or white

Materials Interior: White polystyrene (PS) lining.

Gross volume: 128 ltr

- ♦ Air circulation system
- ♦ Right hand hinged reversible door
- ♦ Integrated full height door handle.
- ♦ 2 white shelves (with tilt prevention)
- ♦ Door lock for extra security
- ♦ Automatic defrost with re-evaporation of defrost water
- ♦ Low sound level of just 30.1 dB(A)
- ♦ Future proof hydro carbon model
- ♦

SPECIFICATIONS

Product title	REFRIGERATOR	Energy Efficiency Class	A+
Temperature range	+2/+12°C	Energy Efficiency Index EEI	11.3
Volume, gross (l)	128	Sound level – dB(A)	30.1
Net usable volume (l)	77	Insulation (mm)	50 mm (cyclopentane)
Interior	White Finish	Refrigeration capacity at -10°C (Watt)	102
Dimensions W x D x H (mm)	595 x 642 x 830	Climate class	4
Weight, packed (kg)	44	GN – Shelf size	Shelf 48,6 x 43 cm
Refrigerant	R600a	Door Type	Solid Door
GWP	3	Exterior	White Finish
Connection	230V, 50 Hz	Refrigerant (kg)	0.033
Connection load (Watt)	62	CO2 equivalent (kg)	0.1
Energy consumption Ecodesign (kWh)	227	Equipped with	Right hand hinged reversible door with lock, 2 white shelves. Exterior: White. Interior: PS lining in white
